Weight	5.5kg
Operating environment	20° to 35°C, Humidity 20-80%
Power source	110/240v AC, 50~60Hz, 45W
Agency listing	MIC, CE, UL, FCC
Drivers	Windows compatible

* Print speed indicates approximate batch print speed and is measured from the time a card feeds into the printer to the time it ejects from the printer. Print speeds do not include encoding time or the time needed for the PC to process the image. Process time is depend on the size of the file, the CPU, the amount of PC memory, and the amount of resources at the time of the print job.
